

Prof. Heimbürger Award

CSL is committed to supporting progress in the area of coagulation in the long run. Based on recent publications and feedback from the medical community, allowing the next generation of coagulation specialists to medically and scientifically establish themselves, it is important to ensure continued progress in this therapeutic area.

CSL will set five global start-up awards of €25,000 each.

The awards are reserved for researchers who hold a medical degree or a PhD. Applicants with less than five years of faculty experience in hemostasis will be preferred.

No matching funding is a prerequisite for this award. The awards will be available for clinical and/or preclinical research in the area of coagulation.

Application and Procedure

[Please click here to submit your online application](#)

Applications for the 2023 cycle will open from **August 1, 2022**; applications consisting of an application form, a short CV and a one-page research proposal must be received by **November 14, 2022** in order to be considered. Applications should be submitted in English.
